

FORT WORTH COIN CLUB

Club Meeting Minutes March 7, 2024 Held at the FW Botanical Gardens

17 in attendance with 4 on Zoom

Jimmy started the meeting at 7pm. Informing everyone that he was filling in for Kevin as Kevin was out of town.

We welcomed 2 new guests (sorry did not catch their names)

Jimmy asked everyone if they received February's minutes and if they had any questions. They did not. We also asked the club to skip the financial report since Walter was not present to give the report and the club was fine with this decision.

Jimmy reminded the club on the change to the bylaws: Club membership is free for junior Numismatist under the age of 18. He let everyone know we will vote on this next month since we did not have a lot of members there this evening.

(Side note only 3 board members in attendance)

Frank Hezmall spoke to everyone about Gold Standards Auction Coin Show Buyers and if anyone was interested in helping them he could get them to the correct people.

Jack Gilbert spoke briefly to the club about the Bureau of Engraving and Printing Tour for all Club member and surrounding clubs. This is still in the works and still in negotiations.

Jimmy informed club members that our program presenter was unable to make it due to weather (he did not name names on who the presenter was as to not disappoint anyone)

Club had a brief show and tell where Frank Hezmall, Danny Mok, and Larry Herrera showed their coins.

Jimmy reminded everyone that the Cowtown Coin Show was this weekend March 8 and 9. Along with this reminder he reminded the club that we will have our regular club meeting April 4th and it will also be our Awards banquet. BBQ! Most likely Railhead. Encouraging members to bring a side and reminding them its \$15 for guest.

10-minute break

Frank Hezmall did not bring his coins to sell.

Frank Provasek starts auction at 7:45pm

Meeting ends at 8:16pm
