

FORT WORTH COIN CLUB

Club Meeting Minutes March 6, 2025 Held at the FW Botanical Gardens

This was the club's annual awards banquet which includes recognition of those members who provided a service to the club during the preceding year and provides dinner and bingo. It was attended by approximately 50 members and guests.

Festivities began when President Kevin G. announced that the serving line was open, manned by the always dependable Dalia and Ryan S. who served us Railhead barbecue, beans, potato salad and green beans. The meal was supplemented by a variety of side dishes, salads and desserts brought by members. There was plenty of good food to go around and thanks to everyone who brought a dish.

Toward the end of the meal, Kevin G. recognized the officers and directors who served the club in 2024 as well as members who gave programs, brought refreshments, or provided another service to the club. The list was long.

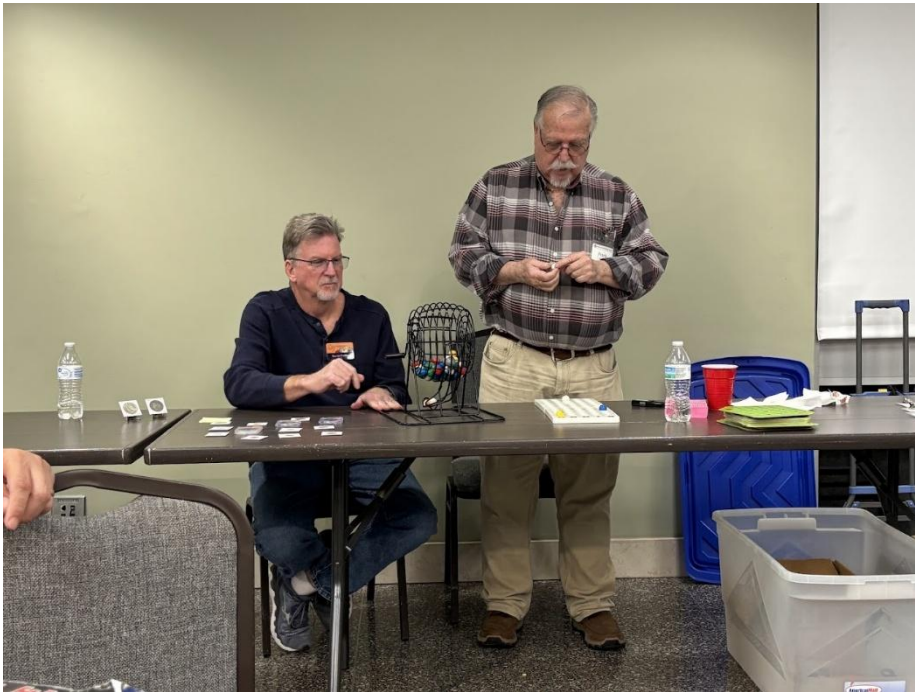

Each service earns an "at-a-boy" token. The more a member does for the club, the more at-a-boy tokens he or she has. Kevin put all the year's tokens in a bag and random members drew three tokens out to award \$100 educational scholarships. This year's lucky winners were Frank H., Danny M., and Ed L.

After empty plates were cleared, Frank H. began calling bingo. He was assisted by the omnipresent Kevin G. About 20 games were called and numismatic prizes were awarded. If you didn't win, you might thank Larry H. who won three games all by himself.

Thanks to everyone who attended and participated. I hope a good time was had by all. I think it must have been an enjoyable meeting as I found out later than four new members joined.

After Dinner. Getting Ready for Bingo

Frank H. (standing) calling bingo. Kevin G. assisting.

Upcoming coin shows:

- Paris – April 12
- Waco – April 18–19
