FORT WORTH COIN CLUB

Club Meeting Minutes
September 3, 2026
Held at the FW Botanical Gardens

The club held its “summer” picnic meeting. I don’t usually think of September as summer (more like back-to-school time), but the temperatures this year show I am wrong. I counted at least 41 attendees.

The club usually just provides pizzas for the picnic meeting, but this year Dalia S. went above and beyond. In addition to a selection of various Domino’s pizzas, members and guests could have homemade flautas, spaghetti, sausages, and/or those delicious meat balls in her special barbeque sauce.

Thanks to all the members who brought side dishes or desserts. I recall seeing fruit salad, mac and cheese, and potato salad sides. I’m sure there were others too.

If anyone had a sweet tooth, they came to the right meeting. We had a large collection of cakes, pies, cookies, and cobblers. They were all non-caloric. Oh my!

After the picnic, we all got down to business – playing Bingo. Kevin G. was the caller and did his usual exceptional job. He was ably assisted by Jimmy D.

Prizes included 40% silver Kennedy halfs, 3-cent pieces, silver proof Washington quarters and war nickels.

Kevin varied the games a bit by introducing kinds I don't recall us playing before. In addition to regular straight-line bingo, four-corners, and worst-card games, we played one where bingo was a large postage stamp, a game to form a big "X" on the card, and one to form a big "T".

Unlike several recent bingo meetings, we didn't have any triple or quadruple winners. In fact, only two members won twice, Mary Ann G. and new member Chris W. There were fourteen individual winners. Chester S. won the grand prize blackout game and got a very nice 2023 silver American Eagle.
